

PHYS 250-Alex Wong
College of San Mateo – Spring 2021

This course is part of the SMCCD's Inclusive Access program. Your WebSMART account has been charged for your MOD PHYS TA 15E UNIV PHYSICS, at the time you registered for the course. **If you are a Promise/Middle College student, it will be charged to that account during the 4th week of the semester.**

Do not pay anything on the Publisher's website. You will only pay for your access in WebSMART or on the bookstore's website.

For more information about Inclusive Access, visit <http://bookstore.collegeofsanmateo.edu/InclusiveAccess>

For support with Inclusive Access, please visit the Inclusive Access Support Page with links to each publisher's support site. <http://bookstore.collegeofsanmateo.edu/SiteText?id=64218>

To Opt Out of the Inclusive Access program for this course, visit <http://bookstore.collegeofsanmateo.edu/optout> and opt out by February 1, 2021. **Please be advised that once you Opt Out, you will not be able to Opt Back In to the Inclusive Access program and may not be able use materials obtained from alternate sources with this course that is taught within CANVAS. Opt Outs will be processed during the 4th week of the semester.**

To receive your content for this course:

1. Make sure you have fully registered for the course in WebSMART. **Students who have NOT fully registered for the course, are on the waitlist, or have not utilized their add code will not be able to access their Inclusive Access in CANVAS.**
2. Go to my.SMCCD.edu and click on CANVAS at the top of the page.
3. Follow the instructions on the Log On page to log in to your CANVAS account.
4. Select your course and you will have access to this course's content. No further access codes are required. Depending on how your instructor has designed their Canvas site, you may be required to do certain assignments prior to being able to gain access.

Please be sure to log in to WebSMART and pay for this to prevent any issues in subsequent semesters.

If you have difficulty in logging in to your CANVAS account or need help with CANVAS, please visit <https://my.smccd.edu/canvas/>
